

# Lowerplace Primary School - Whole school maths overview

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	
Autumn	Number: place value (within 10)	Number: place value	Number: place value	Number: place value	Number: place value	Number: place value	
	Number: addition & subtraction (within 10)	Number: addition & subtraction	Number: addition & subtraction	Number: addition & subtraction	Number: addition & subtraction	Number: addition, subtraction, multiplication & division	
	Geometry: shape	Measurement: money	Number: multiplication & division	Measurement: length & perimeter	Statistics		
	Number: place value (within 20)	Number: multiplication		Number: multiplication & division	Number: multiplication & division	Number: multiplication & division	Number: fractions
Number: division		Measurement: perimeter & area	Geometry: position & direction				
Spring	Number: addition & subtraction (within 20)	Statistics	Number: multiplication & division	Number: multiplication & division	Number: multiplication & division	Number: decimals	
		Geometry: shape				Number: percentages	
	Number: place value (within 50) (Multiples of 2, 5 & 10)	Number: fractions	Measurement: money	Measurement: area	Number: fractions	Number: fractions	Number: algebra
		Number: addition & subtraction					
		Measurement: time	Statistics				
	Measurement: length and height	Measurement: length & height	Measurement: length & perimeter	Number: decimals	Number: decimals & percentages	Measurement: converting units	
		Geometry: position & direction					
Measurement: weight and volume	Measurement: money	Number: fractions	Number: decimals	Number: decimals	Number: ratio		
Summer	Number: multiplication and division (Reinforce multiples of 2, 5 and 10 to be included)	Number: calculation			Number: fractions	Number: decimals	Number: decimals
	Number: fractions	SATS Mixed calculations & problems	Measurement: time	Measurement: money	Geometry: properties of shape	Problem solving	
	Geometry: position and direction	Measurement: mass, capacity & temperature	Geometry: properties of shape	Measurement: time	Geometry: position & direction	Statistics	
	Number: place value (within 100)	Measurement: time		Statistics	Measurement: converting units		
	Measurement: money	Problem solving & investigations	Measurement: mass & capacity	Geometry: properties of shape		Investigations
