Dear Parents and Carers,

Health and Relationships Education Policy - Consultation

As you will be aware, we hosted our second Parent Workshop yesterday, as part of the parent consultation process for designing Lowerplace's HRE curriculum. A huge thank you again to those of you that were able to give up your time to attend.

Through healthy debate, sharing of views and detailed discussion, we are rapidly moving forward with developing a curriculum that is designed for the community that Lowerplace serves.

My PowerPoint slides from the meeting are published on our school website under the HRE Parent Consultation tab.

As agreed by the parent group, the policy can now be written and published on the school website for your feedback through an online survey. Please see the timeline on the website for next steps.

Just to be clear...we are not teaching this aspect of the curriculum until after the consultation process.

Once again, thank you for your patience and understanding.

Yours faithfully

G Johnson
