

Week beginning: 11.05.2020

Home Learning Suggested Activity Timetable

DAY					
<p>MONDAY</p>	<p>PE WITH JOE WICKS Youtube.com/thebody coach Available live at 9am</p> <p>Kidz Bop Dance along videos. https://www.youtube.com/playlist?list=PLMr-d2PLsO95ydpTpBnsxdQNSKc9iUNU0 or Playing games in your garden Go for your daily walk or run Yoga sessions</p>	<p>Maths session https://whiterosemaths.com/homelearning/year-4/</p> <p>The White Rose hub are no longer providing worksheets. However, they are still releasing weekly videos that include questions. Your child could complete these on a spare piece of paper.</p> <p>As an alternative, BBC Bitesize is posting daily maths lessons. These contain videos, online activities and worksheets. This link will take you there: https://www.bbc.co.uk/bitesize</p> <p>Continue to practice your timetables on TT Rockstars. This is available to download on all electronic devices.</p>	<p>English session</p> <p>No-internet activity</p> <p>Poetry</p> <p>Some of you have read poems about the weather each day this year.</p> <p>The weather seems to change every day during spring. Each day this week, write a short poem about the weather or the season. What have you noticed that you can write about? Clouds, the temperature, the moon, the leaves blowing in the wind? Each day, write a short poem about a different aspect of the weather. Try to keep each of your poems down to less than 50 words.</p>	<p>Reading session https://www.twinkl.co.uk/ Twinkl have a guided reading session, daily. Click on the Home Learning Hub tab and choose the timetable for ages 7-9.</p> <p>The following websites also provide reading activities for your child to complete. www.theworldofdavidwialliam.com www.oxfordowls.co.uk www.phonicsplay.com https://www.bbc.co.uk/bitesize</p>	<p>Art Session</p> <p>No-internet activity</p> <p>Last week we saw a ‘super moon’ (see science below). This week you can choose from one of the following ‘moon’ activities. Either:</p> <p>MESSY: find a piece of black paper / card. Draw a circle on it (perhaps using a plate or similar). Mix flour with water until you have a thick paste. Cover the circle with the past. Using a bottle top or similar, press into the paste (while it’s wet) to produce an image of craters on the moon. Once dry, you can shade these carters with grey paint.</p> <p>NON-MESSY:</p> <p>The planets in the solar system begin with these letters - M, V, E, M, J, S, U, N IF YOU HAVE THE INTERNET, print out a diagram of the planets in the Solar system and colour them in to show how each is different. No-internet: Draw 8 circles and add rings and colours to each to show which planet is which. Make sure you label the planets!</p>

TUESDAY	<p>PE WITH JOE WICKS Youtube.com/thebody coach Available live at 9am</p> <p>Kidz Bop Dance along videos. https://www.youtube.com/playlist?list=PLMr-d2PLsO95ydptpBnsxdQNSKc9iUNU0 or Playing games in your garden Go for your daily walk or run Yoga sessions</p>	<p>Maths session Refer to the details provided on Monday.</p> <p><u>No Internet Activity</u></p> <p>Draw a noughts and crosses grid. One player/team has odd numbers and one has even numbers. The aim is to complete a row or column with a total of 15.</p> <p>Try other totals</p> <p>Use tens instead of ones with a total of 150 etc.</p>	<p>English session</p> <p><u>No-internet activity</u></p> <p>As above</p>	<p>Reading session</p> <p><u>No Internet Activity</u></p> <p>Read a book or chapter with your child. Then let them ask you questions on what they have just read.</p>	<p>Science session</p> <p>Last week saw the appearance of a ‘super moon’ in our skies. But what exactly is one and what makes it so ‘super’? Research what a super moon is including when and where you might see it. Will it appear in daylight or just during darkness? Why do you think the moon looks bigger when it is closer to the horizon?</p>
WEDNESDAY	<p>PE WITH JOE WICKS Youtube.com/thebody coach Available live at 9am</p> <p>Kidz Bop Dance along videos. https://www.youtube.com/playlist?list=PLMr-d2PLsO95ydptpBnsxdQNSKc9iUNU0 or Playing games in your garden Go for your daily walk or run Yoga sessions</p>	<p>Maths session Refer to the details provided on Monday.</p>	<p>English session</p> <p><u>No-internet activity</u></p> <p>As above</p>	<p>Reading session</p> <p><u>No Internet Activity</u></p> <p>Read a book/ chapter with your child. Ask your child to write a summary about what they have just read.</p>	<p>History session</p> <p><u>No-internet activity</u></p> <p>Rochdale may not be a very large town but it does have 2 famous sports teams – Rochdale FC and Rochdale Hornets Rugby League Team. Where do these teams play their matches, what colours do they wear and when were they formed? If you don’t know (or can’t find out from the internet) ask someone you know or look in a book. Now make a new club crest (or badge) for each team. What would you include to represent Rochdale in your badge? Remember the name of the Rugby Team – what is a hornet, can you include one?</p>

THURSDAY	<p>PE WITH JOE WICKS Youtube.com/thebody coach Available live at 9am</p> <p>Kidz Bop Dance along videos. https://www.youtube.com/playlist?list=PLMr-d2PLsO95ydptpBnsxdQNSKc9iUNU0 or Playing games in your garden Go for your daily walk or run Yoga sessions</p>	<p>Maths session Refer to the details provided on Monday.</p> <p><u>No Internet Activity</u></p> <p>One-child choses a number between 0 and 100. Children ask questions to establish what the number is. Question must have a yes or no answer.</p> <p>Is your number less than 50? Is your number even? Is your number prime? You may need to limit more than or less that questions.</p> <p>You can always try larger numbers.</p>	<p>English session</p> <p><u>No-internet activity</u></p> <p>As above</p>	<p>Reading session https://www.twinkl.co.uk/ Twinkl have a guided reading session, daily. Click on the Home Learning Hub tab and choose the timetable for ages 7-9.</p> <p>The following websites also provide reading activities for your child to complete. www.theworldofdavidwialliam.com www.oxfordowls.co.uk www.phonicsplay.com</p>	<p>PSHE session</p> <p>This book will explore a range of issues in relation to realistic saving, earning, planning and budgeting.</p> <p>Read the online book and complete the learning activity. There is also an end of activity quiz!</p> <p>https://www.valuesmoneyandme.co.uk/teachers/i-want-it-ks2</p>
FRIDAY	<p>PE WITH JOE WICKS Youtube.com/thebody coach Available live at 9am</p> <p>Kidz Bop Dance along videos. https://www.youtube.com/playlist?list=PLMr-d2PLsO95ydptpBnsxdQNSKc9iUNU0 or Playing games in your garden Go for your daily walk or run Yoga sessions</p>	<p>Maths session Refer to the details provided on Monday.</p>	<p>English session</p> <p><u>No-internet activity</u></p> <p>As above</p>	<p>Reading session</p> <p><u>No Internet Activity</u></p> <p>Ask your child to close their eyes and imagine standing in a forest surrounded by trees. Then ask them to write a setting description.</p> <p>For example:</p> <p>The tall, ancient trees swayed vigorously as the wind charged between their branches.</p>	<p>Creative/ play session</p> <p><u>No internet Activity.</u></p> <p>Lockdown is a great opportunity to learn a new skill. JUGGLING is an excellent way to practice coordination and get the two sides of your brain ‘talking’ to each other! If you already have juggling balls, great. If not, use beanbags, rolled up socks, scrunched up paper etc to juggle with. Use 2 items at first and practice passing them from one hand to the other ensuring they are both in the air at the same time. Then introduce a 3rd and 4th object until you can master this fun activity!</p>
