DAY					
MONDAY	<p>PE WITH JOE WICKS Youtube.com/thebody coach Available live at 9am</p> <p>Kidz Bop Dance along videos. https://www.youtube.com/playlist?list=PLMr-d2PLsO95ydptpBnsxdQNSKc9iUNU0 or Playing games in your garden Go for your daily walk or run Yoga sessions</p>	<p>Maths session https://whiterosemaths.com/homelearning/year-4/</p> <p>Go to the Home Learning section. There are 4 lessons per week (with answers provided.) Choose summer term week two (beginning 4th May) and work through these one day at a time until Thursday.</p> <p>Additional home learning packs are available at the following sites. There is a video to explain the concept and a worksheet for your child to complete. www.themathsfactor.com https://classroomsecrets.co.uk/free-home-learning-packs/</p> <p>Continue to practice your timetables on TT Rockstars.</p>	<p>English session No-Internet Activity</p> <p>This term we would have been reading Goldilocks and the ONE Bear(!) and you would have written a diary from one of the character's point of view. A famous diary was written by a little Jewish girl, Anne Frank, who had to hide away from the Nazis in her attic during World War 2. Now you are in lockdown, write a daily diary of your experiences.</p> <p>What do you do each day? What are your feelings? How do you communicate with other people? How do you keep busy?</p> <p>Remember to start 'Dear diary', use the 1st person (I, we etc), discuss your feelings, use adventurous words, include time conjunctions, write in the past tense and make it sound as if you are actually talking to someone (your diary).</p>	<p>Reading session https://www.twinkl.co.uk/ Twinkl have a guided reading session, daily. Click on the Home Learning Hub tab and choose the timetable for ages 7-9.</p> <p>The following websites also provide reading activities for your child to complete. www.theworldofdavidwialliam.com www.oxfordowls.co.uk www.phonicsplay.com</p>	<p>Art Session No-Internet Activity</p> <p>Celebrate spring by recreating your favourite flowers. Choose from daffodils, crocuses, hyacinths, snowdrops, pansies, bluebells, sunflowers or choose one of your own.</p> <p>Study the flowers as closely as possible. If you can't access flowers in your garden or home, try to get a picture of one either from a book, magazine or the internet.</p> <p>What are the different parts? Choose your colours or materials carefully and draw, paint or make (eg out of paper) the flower in as much detail as you can. Once you have finished, see if you can label the parts.</p>

TUESDAY	<p>PE WITH JOE WICKS Youtube.com/thebody coach Available live at 9am</p> <p>Kidz Bop Dance along videos. https://www.youtube.com/playlist?list=PLMr-d2PLsO95ydptpBnsxdQNSKc9iUNU0 or Playing games in your garden Go for your daily walk or run Yoga sessions</p>	<p>Maths session See above.</p> <p>No-Internet Activity</p> <p>Using scrap paper, write the numbers 1-20 on individual pieces. This game is played in pairs (or with another adult), and you begin by having each player turn up two cards. The smaller number acts as the numerator, and the larger is the denominator. In order to win the set, you need to have the larger fraction of the two. For example, is $2/9$ is bigger than $3/10$?</p>	<p>English session</p> <p>See above</p>	<p>Reading session</p> <p>No-Internet Activity</p> <p>Design a word search using WOW words from a reading book.</p>	<p>Science session</p> <p>No-Internet Activity</p> <p>Earlier in the year we studied animals and their habitats. We learnt about vertebrate and invertebrate animals. Can you remember what these words mean? Make a list of as many invertebrate animals that you see around the house, garden, yard, street or park. For example, have you seen a bee yet this spring?</p>
