Wednesday 24<sup>th</sup> November 2021

Dear Parents and Carers,

Starting on Friday 3<sup>rd</sup> December, Year 3 children will no longer receive their homework in the orange books, instead they will be accessing their homework online using Google Classroom – inline with the rest of Key Stage 2. Your child should have/or will soon be given a Google Classroom login so that they can access the homework set. We will also provide support in school for your children so they understand how to complete and submit their homework online.

As before, the homework will consist of an English task and a maths task relating to the learning in the classroom during the week. Homework will be put on Google Classroom each Friday and should be returned online by the following Wednesday. We will continue to discuss the homework set with the children in class on a weekly basis to provide feedback, support with any work they've struggled with as well as assess their understanding of the work set.

We thank you for understanding and your support with the changes to homework. If you do need to access a laptop to enable your child to complete the homework, the school can loan one to you. Please visit the school office to enquire about a laptop loan. If you have any questions, do not hesitate to contact your child's class teacher or you can e-mail [remotelearner@lowerplace.rochdale.sch.uk](mailto:remotelearner@lowerplace.rochdale.sch.uk) for any questions about accessing or using Google Classroom. There is also a user guide to Google Classroom on the school website in the Remote Learning section.

Kind regards,

The Year 3 Team
